امور الفيض الموائد البرهانية

وَيُطْعَمُونَ الطَّعَامَ عَلَى حُبِّهِ مِسْكِينًا وَيَتِيمًا وَأَسْرًا (٨) إِنَّمَا نُطْعِمُكُمْ لِوَجْهِ اللَّهِ لَا نُرِيدُ مِنْكُمْ جَزَاءً
وَلَا شُكُورًا (٩)

Praising the manner in which Panjatan Pak AS provided food to others, Allah Ta'ala states: "They give food out of love for Allah to the needy, the orphaned and the imprisoned. We feed you in the name of Allah, we do not seek any reward or gratitude from you".

Faizul Mawaidil Burhaniyah is one of the many hasanat of my beloved father Syedna Mohammed Burhanuddin RA through which each and every Mumin household receives his barakat. Mumineen of all tabaqaat receive this barakat and every effort is made to ensure that no Mumin goes to bed hungry.

Dear Mumineen! Health and illnesses are inextricably linked with food. That is why it is important to be vigilant regarding what you eat. It is essential to refrain from all muharramaat and consume rizq which is halal.

Barakat of FMB refers to the source of blessings or benefits associated by providing positive outcome to the community. It is a tangible representation of unison and bonding. FMB is an azeem barakat, an important Umoor through which good health is maintained by offering nutritious and wholesome food, enabling individuals to maintain physical and spiritual strength.

FMB has recently been established as a smart kitchen in Fakhri Manzil; as new families add to our mohalla, the urgent need to develop a new kitchen was necessary. Aqa Maula Aaliqadar Mufaddal Saifuddin Saheb TUS has time and again stated in his bayan stressing the need for a clean and hygienic kitchen with balanced food ensuring everyone's health respectively. Food is made generally palatable, while the other adjustments of taste can be catered by individual's taste accordingly. We have two curries, rice and roti as medium daily so one can have choices for their food. Listing some of the FMB essentials, we are continuously striving to improve FMB by undertaking essential initiatives, and our dedicated team of khidmatguzars is making exceptional efforts for day to day operations into a manageable routine. Thanks to the blessings of Aqa Maula TUS, we now have a modern kitchen equipped with the latest machines to minimize direct hand contact with food; ensuring cleanliness as helpers wear gloves, aprons, slippers and caps during food preparation. Physical hygiene of the kitchen staff is also checked. Additional facilities like a dough maker and tables for roti preparation enhance efficiency. It is uncommon to find a shared kitchen among two brothers, yet Aqa Maula fosters brotherhood through community kitchen. We must express our gratitude for this blessing.

FMB empowers Bohra women by relieving them of the daily burden of cooking, allowing them time to engage in family businesses, earn an income, or engage in their hobbies. It also helps women by generating income through FMB roti making .

Among dedicated workforce are Murtaza bhai Bharmal and Shirin bai Haveliwala, who have consistently worked hard in the kitchen during Ramadan, alongside other mumenaat behno; contributing their efforts to accomplishing tasks hasn't been easy for them either. FMB positively impacts those who participate in it, and it is Aqa Maula's TUS desire that every family benefits from the barakat of FMB, alleviating both spiritual and worldly hardships.

We hope and urge that more mumeneen and mumenaat come forward for khidmat to assist the current khidmatguzar team as they attend to their duties as early as 4 o'clock in the morning. May Allah grant long and healthy life to our Aqa Maula TUS .
